
ENOUGH!

Have you ever reached a time in life where you have had ENOUGH? Enough of feeling as though you can't afford something. Enough of not having any business. Enough of living without. Enough of just getting by. It is a freeing feeling when you finally come to the conclusion that you are done being a certain way and it's time to do something about it. I challenge you this week to do something about it.

Today say to yourself "ENOUGH". Be done with doing things half way, done with the fear of failing, done with struggling financially. All of the opportunities are there for you. Success is waiting for you. You just have to decide that you really want it and once you get to that point, believe me nothing will stop you.

Make this week the start of a new you. Make it the time you decide: "I've had enough!" and really make this week count!

"In business and in life, staying positive in difficult circumstances is not an easy task. We are going to experience adversity. The real question is 'How will we approach it when it comes?' Dan Manginelli's answer to that is, 'As an opportunity to take action and move forward!' His new book Shake It Up! is a chapter-by-chapter personal coaching session with inspiration and ideas to help us do just that."
