

Keep On Truckin

Driving the other day, I noticed an older car sporting the iconic, "Keep on Truckin" bumper sticker from the 70's with the cartoon figure, leaning back, almost parallel to the ground, yet still fighting to move forward. First I chuckled, thinking how long it had been since I had seen that bumper sticker, then I realized how relevant it still is when it comes to success. For me, quitting is not an option. Finding a way to win is an obligation to myself, my team and my family!

When things get tough, whether personally or professionally, achievers find a way to silence the noise and keep pushing forward. When faced with adversity, achievers find a way to grab a new gear. With focus and determination, achievers relentlessly pursue their goals, regardless of any roadblock or setback. This week, push past the roadblocks, silence the noise and Keep on Truckin'!
